Tom,  
I certainly hope we're still on good  
terms. Things haven't gone the best,  
but remember the good times?...  
Boyd's Cafe, Hoogie's party, the plays,  
and all the times we cruised around  
in my car. You're a doll, Tom, and  
I'll never forget the fun we had!  
Love always,

In 1819, our school district, then known as Boiling Springs, was made up of one building paid for by money raised by public subscription. The school was only 18x20 feet with a mud chimney resting on the beams. Our first Rutherford School Master stayed until 1831 when the first school was closed. His name was John Berry.

The second school house was built practically on the same site in 1851. It was a one room, one story building. It was more elaborately furnished than the first school. It consisted of rows of wooden benches, a stove and a teacher's desk, but it was large enough to hold 50 pupils. Back then, school only cost \$1.50 per pupil for the quarter, the balance being paid from funds from the state augmented by a small district tax.

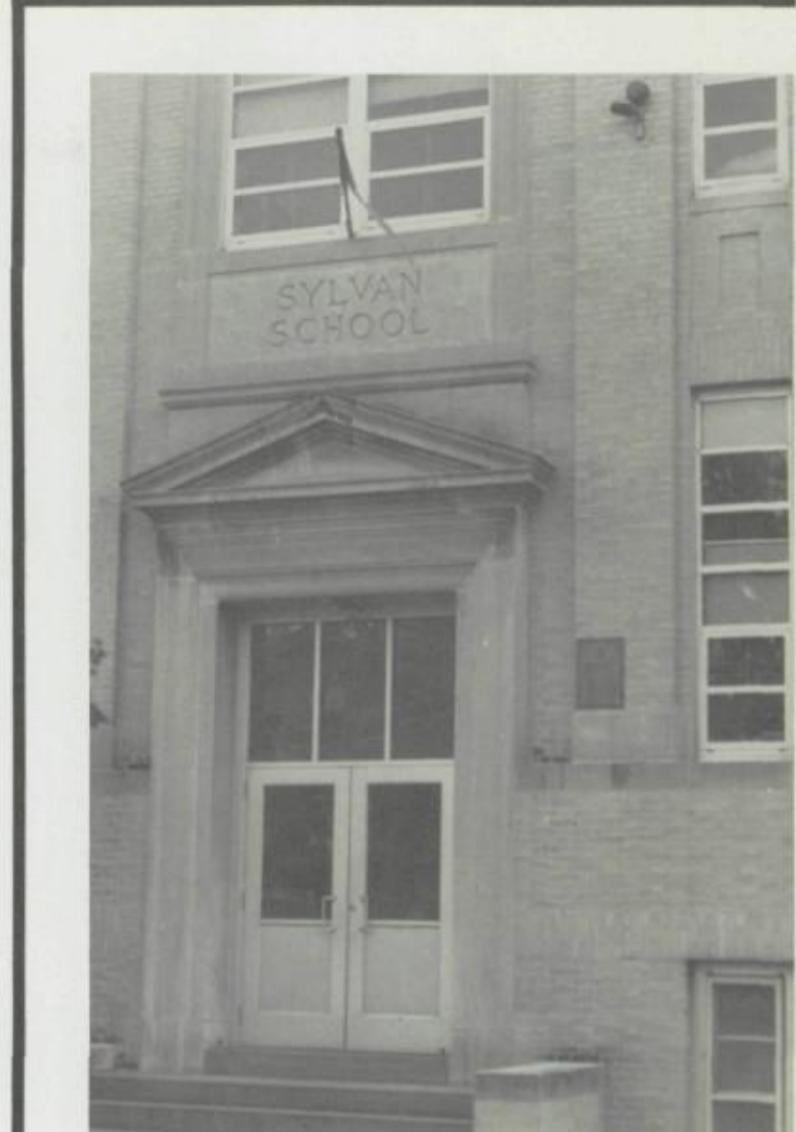

*Above:* New Park School, May 1901. *Top Right:* Sylvan School, 1981. The following year a four year high school was made available for the first time. *Middle:* Pierrepont School, 1981. *Bottom Left:* Sylvan School built in 1889. *Bottom Right:* Part of Peter Kip farm in December, 1924. The new school can be seen in the distance.

The school functioned until 1870 and then was destroyed by fire. That same year the Park School was built where the Old Meadow school had been. The school was 40 x 52 feet, had two stories and contained four classrooms. In 1880 the school was double by building an extension in the rear. Then in 1883 the attendance was up to 154.

In 1889, 1892, and 1913, three new school houses were established in our district. Rutherford Senior High School was built in 1922 and a new addition was added in 1939. In 1922 the actual school consisted of 12 class rooms, one study hall and one wood shop. The pupil capacity was only 550 students.

## Yearbook Dinner

The yearbook dinner given annually by the senior class, combined music and good food to help subsidize the cost of the senior yearbook. As a diversion from traditional meals, Hawaii chicken was served as the entree with salad, rolls and butter completing the evenings menu. The guests were entertained by Abraxis, a band consisting of

## "In The Swim"

Seniors, who performed throughout the dinner. Lisa Boyle, Carol Berman, and Leslie Nolan, filled in during their breaks. The music permitted our toe-tapping seniors to let loose as dancing soon gripped the feet of both guests and workers. This year's dinner was definitely a SPLASH!

### Lil' Abner

On November 21 and 22, the All School Play *Lil' Abner* was presented, displaying the talents of various teachers and students from all grades. *Lil' Abner* is a musical based on the comic strip characters of Al Capp.

The play takes place in Dog patch, USA, a lazy southern town, which may be bombed by the government because it is considered to be unnecessary. The play involves the adventures of Abner Yokum (Glenn Gaffney) as he tries to save his hometown of Dog patch and how he falls in love with Daisy Mae (Barbara Moss) along the way. Nick Loizzi, Mr. Magdich, Chuck Meyer, Diane Lane, Keith Dzadowski, Carol Berman, Mr. Terry and Mrs. Hyde were featured in supporting roles.

Much credit goes to Mr. Stuart, who produced and directed the play, Amedeo Ciminnisi, who conducted the orchestra, Mr. Magdich and the stage crew, and most of all to the cast, for making the play a success.

Abner's first encounter with Appassionata Von Climax.

Marryin' Sam tells about Jubilation T. Corn Pone.

Doctor Finsdale experiments with Yokumberry Tonic.

The cheerleading team of 1981 consists of Varsity, J.V., and Freshmen squads. The cheerleaders help to support the football, soccer, and both the girls' and boys' basketball teams. Some of the girls went to camp over the summer and brought back many interesting cheers and sideline routines to help change Rutherford's cheering style. The advisors for 1981 season are Mrs. Joan Lord (Varsity), Miss Maureen Willis (J.V.), and Mrs. Leslie Conlon (Freshmen). The cheerleaders would like to thank their advisors, the band, and also the fans for their support.

The Bulldogs got off to an explosive start against their first two opponents shutting out Bergen Tech and Wallington. Then they met a tough Leonia team in the rain and couldn't get untracked as they met their first defeat. The following week the team had their annual meeting with Hasbrouck Heights which proved to be another tough game. The Bulldogs went for the win but came up short 7-6.

The Bulldogs rebounded courageously against these two defeats which made Coach Loucks and his staff proud of the boys as they turned the season around and made a run for the league title. The team defeated league leading Cresskill by the score of 13-10 and continued to show their bite both offensively as well as defensively by defeating Emerson, Secaucus, and Palisades Park. This set up the big finals against Becton on Thanksgiving. Rutherford played a good game but not good enough and was upset by Becton 29-17.

Some of the outstanding seniors for the 1980-1981 season were Pat Pacillo, Jamie Manning, Mark Duffy, George Fecanin, Ken Wootton, and John Zeidler.

The R. H. S. soccer season began with a bang as they beat Garfield. Highlights of the season included beating Glen Rock 2-1, which was the first time in seven years, reaching the finals of the state sectionals for the first time under the coaching of Mr. Lew Ludwig. The Bulldogs avenged several league losses by coming back to beat Leonia 2-1 and North Arlington 4-0. State tournament victories included a spectacular two game playoff, the results were a 2-2 tie and then a tough 1-0 victory. The 3-2 victory over Saddle Brook in the semifinals was the result of a fine team effort on a cold and extremely windy day.

Individual offensive highlights included 20 goals by Carlos Orozco and 28 goals by Rob Walton. The defense, led by goalkeeper Bernie McNeilly, Jim "Chips" Kelly, Mike McKiernan, "Frenchy" LaForgia, Dave Smith, and John Miniglietto. The midfield, led by Henry Ahn included Pat Strehl, Rob "Minnow" Minervini, Fred McCuistion, Jerry Willis, Keith Capobianco, and Nikorn Chinakul. The Varsity finished their season with a 12-8 record. The Junior Varsity had a fine 13-3 season and are looking forward to a successful season next year.

Coach Joan Lord led a unique Volleyball team for the 1980 season. The team this year completed an overall 10-9 record. They ended up with a 6-6 record in the league. The team started with a little apathy but picked up by the end of the season. They came back to beat such teams as Emerson and Leonia. Three girls received recognition in the league. They were senior Martha Sutphin-First team, Nora Dolan, junior, -Second team, and junior Suzy Murray-Honorable Mention.

Coach Eileen McCabe's Junior Varsity ended the season with a 15-4 record overall.

## Co-Captains

This year the boys' cross country team was the strongest that it has been in years. The boys had a very successful season, shown by their dual meet record of 7-1, with their only loss going to Cresskill, the toughest team in the country. The boys placed an impressive second place in both the League and County meets and third in the State meet. The team was led by John Boyle, captain, and Andy Ferguson, the team's two outstanding runners. Scott Mangini was the team's third runner, in addition to Mark Esposito and Joe Papenberg who also ran and scored well for the team. Other varsity members include Joe Casas, Mike Loizzi, Bob Jennerich, Dave Denman, Tom Rosa, and Peter Marshall. The team's J.V. members Andy Cox, John Loughlin, Jeff Weiss, Ignace Kuchazik, and Dave Nunno look forward to future seasons. Congratulations to the team for a job well done.

The one word which best describes the girls' cross country season is winning. The 1980 team was the best in Rutherford's history, with their outstanding wins in both the League and County Championship meets. The girls also had an undefeated dual meet record of 7-0, and took a third place in the State meet. The most important aspect of the team was that it had depth, shown by the fact that Helen Quinn, Rose Marie DelVescovo, Bianca O'Connell, and Mary Breitweiser were each Rutherford's number one runner at one time or another. Inga Manskipf and Maria Malatak were other top scorers, and Lorraine Eggeling, Nancy Sovak and Susan Sovak made up the rest of the varsity team. Shirley Griffith and Jennifer Gonzales ran on the J.V. team. Much credit goes to the girls for their hard work and to the excellent coaching by Jay Cuny and Helen Roscoe. Congratulations to the girls' cross country team — League and County Champs!

The Rutherford Bulldogs under the first year mentor, Jay Cuny, registered its best season in recent history. The team finished out with an 18-8 record while only having three returning lettermen and four seniors. This shows that Cuny's system of ball control and elaborate defenses was highly successful. The team has been in the County rankings all year and ended up 2nd in the league to Cresskill. Also, the team was again honored by being selected into the County Tournament. The entire bench was alternated in and out of ball games to keep everyone fresh and everyone gave 100% all year long. The team had a solid nucleus of players. Rob Walton, a junior guard, led the team in scoring and assists and controlled the tempo of each game. He was voted 1st team All-League. Pat Pacillo, the senior captain power forward, led the team in rebounding and steals and was 2nd team All-League for his efforts. Junior guard Paul Kelly with his clutch shooting throughout the year was named Honorable Mention All-League. Senior Bernie McNeilly was a steady performer at the center position with his fine passing, defense, and all around play. Senior Ken Wootton excelled in the inside game which, when clicking, terrorized the opposition. Junior transfer John Coughlin provided the team with spark at the end of the season with his sweet shot and uncanny passing. Coming off the bench with their fine team play were: junior Vic Wernicki, a

quick power forward, senior Roger Harris, with his fine inside game at forward, John Ruchser, an intense defensive ballplayer, Pat Strehl, filling in at the point guard position, and lastly juniors Brian Nolan, forward and Steve Fritsch, guard. Coach Cuny molded this unit into a fine ballclub. Assisting him were 1st year coaches, Spencer Mayfield, coach of the J.V. which also turned in a fine season, and Bill Whitney, the Freshman coach who also enjoyed an excellent season.

Although the wrestling team was hurt by a small turnout and numerous injuries, they recorded a fine season. Their 7-9 record didn't tell the whole story. They were 2nd in the districts this year and had many fine performances throughout the season.

Rob Arnold was district champ and Honorable Mention All-League at 122. Steve Azzolini was named 2nd team All-League at 129. Also, Mark Duffy was voted Honorable Mention All-League at 158. The LiSanti combination of Fred and Gary was also successful. The Bulldogs are led by mentor, Doug Loucks.

The Basketball team this year, under the guidance of fourth year coach Bob Cavo has had a successful season. As a team, they won their first Christmas Tourney easily and also recorded their first League Championship ever. Another goal was surpassed with a 20-win season. The Bulldogs closed their season at a spectacular 23-3 and 2nd best in the county. The team is led by senior captains Marty Ann Sutphin and Heather Scelfo. Sutphin, a 3-year starter, averaged over 22 points a game and became the first girl ever to score a 1000 points in her career. She was 3rd in the county scoring race and honored with 1st team All-League and 1st team All-County. Scelfo led the team in rebounding and was 2nd in scoring. Also a 3-year starter, she was named to 2nd team All-League. These two have worked well together for 3-years. Other contributing members were Margo Ludwiczak, Mary Alice McGovern, and Luanne Lanzerotti, Ludwiczak, a junior guard was named Honorable Mention All-League. McGovern, a sophomore and Lanzerotti, a junior controlled the ball during most of the campaign.

The Girls Winter Track Team had one of its best seasons ever. Although the team was not one of the largest teams, it was one of the hardest working and as a result had many accomplishments unique to the 1980-1981 season. The team accumulated a record number of medals and points and was undefeated in dual meets. The team won the New Jersey Women's Coaches meet and looks forward to County and States meets. These various accomplishments are due to the hard work of the team and the excellent coaching by Mr. Hurley, head coach and Mr. Terry, assistant coach.

The Boys' Winter Track team, who also had a problem with getting enough participants, had a very good season. The Bulldogs did very well in dual meets-although meets were usually against larger schools. The team hopes all their work will pay off in the State and County meets.

The debut of a swimming pool at Rutherford High School created a few ripples in the sports program. With this new 25-meter pool, came the first Swim Team Rutherford has ever had. Although the team was quite small, Coach Joy Hensen worked well with the initial team. The team had several dual meets and competed in the League meet in February. At this meet Eva Spahr took two seconds in the Individual medley and the 100-backstroke. The 400-free relay team of: Eva Spahr, Mary Lorio, Maureen McBarron, and Nancy Mathews placed seventh.

All-in-all the 1980-81 Swim Team made quite a splash!!!
